CHOCO STORY CO.

COMPANY PROFILE | WHOLESALE & RETAIL

Your Partner in Chocolate & Confectionery Supply

About Us

Choco Story Co. is a Kuwait-based wholesale and retail business focused on chocolate, confectionery and related products. We aim to make sourcing easier for businesses and individual customers by bringing together a practical range of chocolate-related items under one roof. Our approach emphasizes product choice, responsive service and long-term customer relationships.

What We Supply

Our core business is the wholesale and retail supply of chocolate and related items. Depending on product availability and customer requirements, our range can include chocolates and confectionery, chocolate-making ingredients and compounds, cake and dessert decoration supplies, chocolate packaging and presentation materials, and complementary accessories.

Who We Serve

We support customers such as chocolate shops, bakeries, pastry businesses, cafés, restaurants, caterers, gifting businesses, event organizers and individual buyers looking for chocolate-related products.

Wholesale Solutions

For business customers, we focus on practical procurement support, product selection and quantity-based supply enquiries. Customers can contact our team with their item specifications, required quantities and preferred delivery schedule so that availability and commercial terms can be confirmed.

Retail Experience

Our retail offering is intended for customers who want to explore and purchase chocolate and related items in smaller quantities, whether for personal use, home baking, celebrations or gifting.

Our Commitment

We strive to offer a convenient sourcing experience, clear communication, dependable order handling and attentive customer support. Our goal is to become a preferred chocolate and confectionery supply partner in Kuwait.

Our Vision

To become a trusted destination in Kuwait for chocolate, confectionery and related supplies across wholesale and retail markets.

Our Mission

To serve customers with a relevant product selection, competitive commercial offerings and professional service while continually improving the customer experience.
